

CERTIFICATE OF PROJECT COMPLETION

PROJECT NAME

SENAI CARGO BUILDING

Johor, Malaysia

DESIGN CONTRACT PERIOD

May 2003 to May 2004

DESCRIPTION OF THE DESIGN SCOPE

Architectural design for an interim cargo facility and office annex in the airport of Senai, Johor. The TCB as designed has a 72.37m x 50.77m footprint totalling 3,673m² of freight processing space and an office attachment of 460 m².

This is to confirm that HINTAN Associates Sdn. Bhd. of Suite 3-4, Level 3, Block B, Damansara Office Complex, Jalan Dungun, Damansara Heights, 50490 Kuala Lumpur, Malaysia has successfully completed the above mentioned design contract with us.

A handwritten signature in black ink, appearing to read "Shaun Kumar".
